

## GUESS THE **CELEBRITY!**

Imagine you're a famous celebrity – and it's up to everyone else in the car to guess who you are. There are some suggestions below - just cut them out and put them in a carrier bag, envelope or freezer bag before you set off in the car.

### How it works

1. Decide who's going first – pick a name out of the bag and you now have to imagine you're that person
2. Everyone has to ask you questions to help them guess who you are, but you can only answer 'yes' or 'no'. The questions can be things like:  
Are you a man?  
Are you on TV?  
Do you have a new single out?  
Do you have blonde hair?
3. After each question, that person has one go to guess the celebrity
4. The winner is the person who gets the right name
