Things to see and do in South West England

Bath & Bristol, Cornwall & the Isles of Scilly, Devon, Dorset, Gloucestershire & the Cotswolds, Somerset, Wiltshire

Outdoor-lovers will revel in South West England. Take the time from a busy life to ramble Exmoor's rolling heaths and coast; or rediscover forgotten holidays on welcoming beaches at Woolacombe. Take refuge in the balmy tucked-away Isles of Scilly, or put your best foot forward through Westonbirt's Grade 1-listed woodland glades and avenues. Marvel at what was possible without any modern inventions at prehistoric Avebury stone circle, or get right up-to-date exploring At-Bristol. Nature bursts forth with an endearing scurry and flurry at Abbotsbury Swannery; for international nature exploration head for the Eden Project, home to tropical and temperate climes. Stay outside roaming the Cotswolds' golden villages before finally stepping in to, perhaps, a famous cream tea.
